KICKERS GROUP (31)

PUNTERS GROUP (22)

SNAPPERS GROUP (29)

2019 COLLEGE SENIOR SPECIALIST'S COMBINE
(82) SPECIALISTS ATTEND, ONLY (59) POST STATS
FEBRUARY 22 - 24, 2019
GILBERT, ARIZONA

RESULTS: Coach Zauner's 2019 College Senior Specialist's Combine
'An Open Invitation Combine For College Senior Specialists Seeking To Have Their Ability Evaluated'

In The Last Nine Years (79) College Senior Specialists From This Combine Have Signed NFL Contracts, And Many More Have Been Invited To Mini-Camps. To Date (29) of These Specialists Have Made NFL Rosters And (8) More CFL Rosters. This Combine Has Produced: Johnny Hekker, Sam Martin, Tress Way, Kevin McDermott, Morgan Cox, Tyler Ott, Reid Ferguson, Rick Lovato, Trent Sieg, Aldrick Rosas, Rigoberto Sanchez, Jason Sanders and more...

There were (82) kicking specialists in attendance for the College Senior Specialist's Combine held February 22-24, 2019 in Gilbert, Arizona. Each participant was evaluated based on a variety of on-field tests throughout the two-day Combine. Of the 82 participants competing, (59) specialists elected to have their stats posted. **Note:** The temperatures during this year's Combine were the coldest ever. The weather did have an impact on specialist's distances and hang times and therefore were not as impressive as in past years. All the specialists did an unbelievable job of 'Improvising' to the adverse weather conditions and 'Adjusting' to the change in the testing schedule.

Day 1 (Friday) Weather Conditions: Rain Showers All Day & Night – Snappers tested inside on a *Wooden Gym Floor*

4:00 PM - 6:00 PM – Snappers tested on 'Perfect Laces' Field Goal Drill and Balls & Strikes Punts Snaps at 15 yards. Agility Coverage Drill was tested at 9:30 AM Saturday

NOTE: FRIDAY'S TESTING FOR PUNTERS THAT KICK FIELD GOALS AND KICKOFF AND TESTING FOR KICKERS THAT PUNT WAS RESCHEDULED DUE TO RAIN SHOWERS

Day 2 (Saturday) Weather Conditions: Temperature 40° in AM with a 50° High in PM, Sunny, Cool, Calm, Slight Breeze at 2 to 5 MPH

10:00 AM - 11:50 AM – Punters tested on Open Field, Directional Punts Right and Left and Pooch Punts (Inside 20) and Punters that Kick Field Goal & Kickoff

12:05 AM - 12:45 PM – Testing for Punters that kick Field Goals and with Kickoff Potential

1:10 PM - 2: 00 PM – Kickers tested on Kickoffs

2:20 AM - 3:30 PM – Kickers Field Goal Competition: Short, Medium and Bonus Field Goals

3:40 PM - 4:15 PM – Testing for Kickers with Punting Potential

Note From Coach Zauner:

I am pleased the Coach Zauner's 2019 College Senior Specialist's Combine yielded a number of specialists whom I believe have the talent to be either signed after the NFL draft as Free Agents or have the opportunity to participate in an NFL, AAF or CFL mini or training camps allowing them to compete for a roster spot.

In addition to the enclosed Flash Drive, workout videos and stats of those with PRO Football potential will only be given to teams attending the Free Agent Combine. If there are additional personnel in your organization who wish to receive this information, it is imperative for them to e-mail me with all the team, coaching staff and relevant personnel contact information. **NOTE:** Additional Combine information will be released **ONLY** to teams attending the Coach Zauner's 2019 Free Agent Specialist's Combine.

Evaluation of all participants in the College Senior Specialist's Combine was based on their performance in a competitive format using NEW NFL (K) Balls. Listed below are three distinct levels of evaluation results that were created for this event. **The results from all the specialists that wish to have their stats posted and the video workouts from Group 1A will be given to professional teams.** If there is any desire to learn more about any of the specialists from Group 1A or 1B I will happily discuss their current skill level, potential and what steps they need to take in order to be NFL ready.

Group 1A) Specialists I believe currently have the skills and talent to be in a NFL or CFL training camp and compete for a roster spot, **Group 1B)** Showed Excellent Potential
Group 2) Specialists I believe need to improve their technique, consistency or increase their size and strength. **Group 3)** Specialists would have a difficult time getting a workout.
